

The targeting program being carried out against whistle blowers, activist and civilians is just an [extension of the WWII NAZI program of experimentation, torture and mind control](#) used on civilians ran by Josef Mengele. This is probably a result of Operation Paperclip and the integration of these NAZI scientist into the American Government and NASA. It is apparent that members of our law enforcement and intelligence agencies are involved in this criminal activity. One must wonder if these groups have been infiltrated by terrorist agencies like ISIS or Al-Qa'ida which have formed Terrorist Cells within the USA government itself, the widespread knowledge that [HLS, FBI, DOJ, Fusion Centers, Police, Neighborhood Watch, citizen corps, freedom corps, etc are taking part in this as well as many corporations that activity participate in this program or censor information about it in order to maintain its secrecy.](#)

The reappearance of **reports of the abuses of the drug testing program.** and reports of other previously unknown drug programs and projects for behavioral control underline the necessity for effective oversight procedures both in the executive branch and in the Congress.

Finally, there is an obligation on the part of both this committee and the **CIA** to make every effort to help those **individuals or institutions that may have been harmed** by any of these improper or **illegal activities.** I am certain that Admiral Turner will work with this committee to see that this will be done.

Some 2 years ago, the Senate Health Subcommittee heard **chilling testimony about the human experimentation activities of the Central Intelligence Agency.** The Deputy Director of the **CIA revealed that over 30 universities and institutions were involved in an "extensive testing and experimentation"** program which included **covert drug tests on unwitting citizens "at all social levels, high and low, native Americans and foreign."** Several of these tests involved the administration of LSD to "**unwitting subjects** in social situations."

At least one death, that of Dr. Olsen, resulted from these activities. The Agency itself acknowledged that these tests made little scientific sense. The agents doing the monitoring were not qualified scientific observers. The test subjects were seldom accessible beyond the first hours of the test. In a number of instances, the test subject became ill for hours or days, and effective followup was impossible.	02-May-2020 21:29	17.6M

Perhaps most disturbing of all was the fact that the extent of experimentation on human subjects was unknown. The records of all these activities were destroyed in January 1973, at the instruction of then CIA Director Richard Helms.

In spite of persistent inquiries by both the Health Subcommittee and the Intelligence Committee, no additional records or information were forthcoming. And no one--no single individual--could be found who remembered the details, not the Director of the CIA, who ordered the documents destroyed, not the official responsible for the program, nor any of his associates.

The records reveal a **far more extensive series of experiments than had previously been thought**. Eighty-six universities or institutions were involved. New instances of unethical behavior were revealed. **The intelligence community of this Nation, which requires a shroud of secrecy** in order to operate, has a very sacred trust from the American people. The **CIA's program of human experimentation of the fifties and sixties violated that trust**. It was violated again on the day the bulk of the agency's records were destroyed in 1973. It isolated each time a responsible official refuses to recollect the details of the program.

The best safeguard against abuses in the future is a complete public accounting of the abuses of the past.

Post 9/11 with the passing of the patriot act, all accountability of these agencies disappeared. The corrupt FISA courts now allowed the newly formed Homeland Security, a mere branch of the CIA to take control of law enforcement agencies nationwide. Alongside the FBI, NSA, FEMA, National Sheriffs Association these agencies quickly embarked on a reign of terror inflicted upon the civilian populace, whistle blowers, activist, and ordinary civilians now subjected to inhumane experimentation much worse than was used in the earlier years of the CIA'S torture and Human Experimentation Programs.
